Marking Aaron Sorkin's directorial debut, **MOLLY'S GAME** is based on the true story of Molly Bloom, an Olympic-class skier who ran the world's most exclusive high-stakes poker game for a decade before being arrested in the middle of the night by 17 FBI agents wielding automatic weapons. Her players included Hollywood royalty, sports stars, business titans and finally, unbeknownst to her, the Russian mob. Her only ally was her criminal defense lawyer Charlie Jaffey, who learned that there was much more to Molly than the tabloids led us to believe. STX Entertainment

“She's long excelled at playing commanding, if emotionally locked-down, protagonists in films like Zero Dark Thirty, Interstellar, and Miss Sloane. Molly's Game is another tour de force, a perfect match of script and actress, where actress Jessica Chastain captures her character's fascinating combination of ambition, ruthlessness, and street smarts.” David Sims, The Atlantic
