

Lighthouses of New Hampshire & Southern Maine

with Jeremy D'Entremont

**Sunday, March 18
2:00 p.m.**

Leominster Public Library

Everyone knows there's 'something about lighthouses' that gives them broad appeal, but their vital role in our history and culture is little appreciated. Join writer, photographer, and maritime historian Jeremy D'Entremont for a fascinating program about the lighthouses of New Hampshire and Southern Maine.

D'Entremont's presentation combines historic and new photos, film clips, and audio clips to give the audience a stunning 'virtual tour'.

*Sponsored by donations from family and friends in
memory of Flo Wood.*
