

Digital Magazines for Your Summer Reading! (and a new name for Zinio)

Here's a great way to catch up on your favorite articles without carrying a stack of magazines on vacation with you! Leominster Public Library offers a variety of popular titles through **RB Digital Magazines** (formerly **Zinio**), that can be read on a computer, smartphone, or tablet.

Titles include *The Atlantic*, *Better Homes & Gardens*, *Eating Well*, *ESPN*, *Kiplinger's Personal Finance*, *Newsweek*, *Prevention*, *Yoga Journal* and more.

We've just added several *NEW TITLES* for younger readers, too: *American Girl Magazine*, *J-14*, *Teen Vogue*, and *Game Informer* are now available.

If you used **Zinio**, you will still be able to check out these magazines using the **Zinio** app. The new **RB Digital** app is available for both iOS & Android phones & tablets. Visit the [Downloadable Media](#) page of the Library's website to find **RB Digital Magazines**.
